

April 19, 2019

Hello

Call of the Sea, a nonprofit education organization, has been inspiring schoolchildren to practice environmental stewardship, learn maritime tradition and enjoy the adventure of tall ships since 1985. Aboard the 82 foot schooner, *Seaward*, we offer hands-on learning experiences for students to foster a vital connection to the San Francisco Bay. We are in the final phase of preparing the 132 foot brigantine Matthew Turner for her maiden voyage, and this would not have been possible without volunteers contributing over 158,000 hours of labor.

In 2018, more than 400 people attended our Gala and we are excited to start planning for another successful Gala on June 8, 2019. We depend on business and individual contributions to fill the silent auction tables with a wide variety of items, services, gift certificates, jewelry, art and leisure experiences. Every donation helps us provide a unique and inspiring experience under sail for schools throughout Northern California.

We would be honored if you would consider making a donation for the Gala to make the event all the more special. Because we are a registered 501(c)3, your donation is completely tax-deductible (tax id #94-2951488).

We greatly appreciate your interest and participation. Please feel welcome to call or email us to discuss your ideas for contributions, ask questions or arrange for pickup. Your donation furthers the educational and environmental goals that set the course for Call of the Sea's mission.

Thank you kindly for your consideration.
