

Prepare for your Call of the Sea Youth Voyage

During this voyage, you will:

- Explore the marine environment and learn about marine biology
- Learn the importance of being good stewards of the ocean.
- Develop friendships and new physical skills.

No sailing experience is necessary, but participants must be willing to endure or overcome seasickness if it occurs. All campers need the physical stamina to carry out tasks such as lifting, pulling, and climbing. You may find it challenging, but you will soon have new friends sharing the experience with you and will learn to help each other. We're excited to sail with you on a voyage of a lifetime!

We want your trip to be fun and safe so we need you to help us by following these rules:

1. Be polite and cooperative with other participants and the crew.
2. Respect the rules and follow directions carefully, especially while sailing or swimming.
3. Absolutely no drugs or alcohol.

Electronic equipment is not allowed to be used onboard (cell phones, ipods, etc). This is for the safety of the vessel, the success of the program, and the safety of your gadgets! If you bring electronics, they will be collected at the beginning of the trip, stored in a safe place, and returned at the end. You may bring a separate camera. There will be a crew member taking pictures during the trip and we will be happy to share photos with you at the end of the voyage.

Upon arrival, you must check in any over-the-counter and/or current prescriptions, vitamins, and supplements with Call of the Sea staff. Please follow the instructions in the medical form for packaging and labeling medications needed during the trip. Please inform us of dietary restrictions and preferences well before the voyage start date.

We expect you to have a positive attitude. The crew will discuss guidelines and expectations with you at the beginning of the trip. If you act in an inappropriate manner, your parent/guardian will be contacted, and in extreme circumstances, Call of the Sea reserves the right to expel you from the trip without any refund.

Safety and communications

Our vessels are inspected regularly and certified by the United States Coast Guard. We ensure the vessels are maintained and operated in the safest way possible. View the [Safety at sea document](#) for detailed information about Call of the Sea's Safety Protocol. Our crew of professional mariners and educators are experienced in providing safe and fun educational adventures at sea. As required by the US Coast Guard, our Captain and Mate are licensed mariners.

All crew are enrolled in a random drug-test program and are compliant. All crew and staff that work with youth have been background checked.

Office staff are in communication with the ship on a daily basis. If an accident or injury happens at sea, or if your child needs to be removed from the vessel, we will contact the emergency contact person listed in the medical form as soon as possible. If you need to reach your youth during their program, contact Call of the Sea staff to relay the message:

1. Primary Emergency Contact, Executive Director Carla Thorson, 510-375-6844
2. Secondary Emergency Contact, Sales and Marketing Director Sylvia Stompe: 415-384-1061

First Day:

The ship is docked at the Bay Model Pier, located at 2100 Bridgeway in Sausalito, California, unless otherwise specified. Please arrive 15-30 minutes before start time on the first day of your program. We generally start and end between 10 AM and noon—please confirm with your program organizer if they have a custom start/end time. Our staff will meet you outside of the Bay Model Visitor Center to check you in. There is plenty of parking on-site and a restroom on shore. Please have your youth participant eat breakfast on the first day, as their first meal on-board will be lunch (if the start time is noon).

Last Day:

Please pick up your youth at pick-up time on the final day of the trip. We typically end our program between 10 AM and noon—*please check with your lead organizer if they have a custom start/end time*. There will be an opportunity for parents and families to come aboard the ship at this time. Participants will eat breakfast on their last day and have snacks available. Lunch will *not* be provided on the last day (unless it is requested as part of a custom program).

Packing List: Pack in soft luggage (duffel bags, etc.) No hard-sided suitcases. Limited space available onboard.

- Sleeping bag, optional. You will be provided with a mattress, sheets, pillow and light blanket.
- If you wear glasses, bring a second pair. If you wear contact lenses, bring glasses as well.

- Close-toed shoes – non-skid/rubber soled, 2 pairs –Boat or tennis shoes, flip flops not allowed
- Quick drying T-shirts, 5-6 for a 5 day trip
- Long Sleeve shirts, 2-3 pair for a 5 day trip
- Shorts, 1-2 pair for a 5 day trip
- Long pants, 1-2 pair for a 5 day trip
- Wool Sweater or Fleece. Cotton is not recommended as it is slow to dry.
- Rain Jacket and Pants: Even though rain may be unlikely, sea spray is common
- Pajamas

Clothes that dry quickly are best, such as synthetic fibers: fleece, polyesters and nylons. Avoid denim, thick towels, and heavy cotton sweatshirts which will not dry quickly.

Medications (prescription or over-the-counter) for youth must be packed in a Ziploc bag with clear instructions on when they must be dispensed. This includes vitamins and supplements. If the medication is “as needed”, please include that in the instructions. Medications will be collected and distributed by a supervising adult. (Please note that the ship is equipped with a first aid kit so you do not need to send those with your student.)

Optional Items: Writing material, reading material, musical instruments, ziploc bags (waterproof packaging), baby wipes (don't count on showers), sunglasses, small flashlight or headlamp, warm gloves, rain boots.

Required paperwork

Two weeks before your voyage, the medical, liability waiver and photo release forms must be completed, signed and submitted. Forms can be scanned and emailed to info@callofthesea.org or mailed to the address below.
